Notes: These notes to be considered as an integral part of this sheet

01. Admission of the whole claim is subject to clearing of defects in the Affidavit accompanying the Claim Form as per the prescribed format.

02. In absence of documents substantiating the claim with respect to interest, same could not be admitted and the same is also not supported by the books and records of the Corporate Debtor.

03. In absence of documents substantiating the claim, the same has not been admitted to the extent that remained unsubstantiated and the same is also not supported by the books and records of the Corporate Debtor.

04. The liquidator reserves her right to modify the List of Stakeholders (based on verification of the records and information after the end of lockdown period) and accordingly modify the entries in compliance of the Insolvency and Bankruptcy Board of India (Liquidation Process) Regulations, 2016 and/or in the manner as may be directed by the Adjudicating Authority.

05. The liquidator has made the best estimate of the amount for admission of the claim wholly or partially based on the information & proofs of claims as made available to her by the claimant and based on the records and information provided by the corporate debtor. The claim verification process has fallen in a time which is laced with acute Covid-19 pandemic with lot of restrictions on the physical movement, in the entire country and specifically in Maharashtra where the registered office and books and accounts of the Corporate Debtor are maintained. In spite of the challenges when employees of the Corporate Debtor were infected with Covid-19, the claim verification exercise has been conducted with all due diligence and care, however, error if any, due to certain technical glitches can not be ruled out.
